"...a cautionary tale for any society of the moral hazards of concentrated and unchecked power and wealth in the hands of a few. *Battling Goliath* is a must-read for patients, doctors, governmental regulators, lawyers, and anyone taking prescription medications."

- R. Darryl Fisher, MD, JD, Cardiovascular Surgeon & Attorney, Oklahoma City

HOT OFF THE PRESS

As the fourteen-year fen-phen class action settlement comes to a close, attorney **Kip Petroff** of **Petroff & Associates** is pleased to announce the release of his new book, *Battling Goliath: Inside a \$22 Billion Legal Scandal*. Co-authored with his wife **Suzi Zimmerman Petroff**, *Battling Goliath* takes readers behind the scenes of one of the largest class action settlements in history. This must-read book exposes the shadowy back-room pacts, allegations, and deceit that threatened to deny justice to the thousands of victims who trusted the drug company and thought the FDA was protecting them.

This captivating tell-all will inspire you to stand up to the Goliath in your own life, whoever and whatever it may be.
